3 CONTRACTS

Cooperating with international companies, local construction companies, and official diplomatic missions, we supply products according to the following directions, guarantee service, and complete project coordination.

OUR CATEGORIES

A modern, minimalist living room with white furniture. The room features a large white sofa with several pillows, a coffee table, and a bookshelf. The background wall is composed of large white panels. The overall aesthetic is clean and contemporary.

FURNITURE

Italian furniture is distinguished by its special elegance and reliable quality!

A collection of glowing light bulbs and string lights. The scene is filled with various types of incandescent bulbs, some of which are lit, creating a warm, golden glow. The bulbs are scattered across the frame, with some in the foreground and others in the background. The lighting is soft and diffused, creating a dreamy atmosphere. The word "LIGHTING" is centered in the middle of the image in a bold, black, sans-serif font.

LIGHTING

Create lighting that suits your space with smart solutions!

LIGHT CONTROL AND SMART HOME SYSTEM

Improve your life quality and make it easier using a Smart home system.

A chef in a white uniform is pouring oil from a bottle into a pan on a stove. The chef is looking down at the pan. The background is a kitchen with various items on the counter. The text "KITCHENS AND APPLIANCES" is overlaid on the image.

KITCHENS AND APPLIANCES

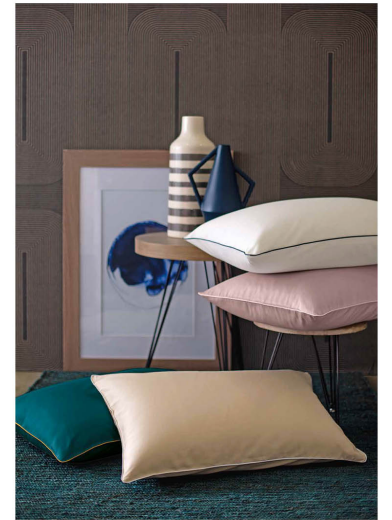

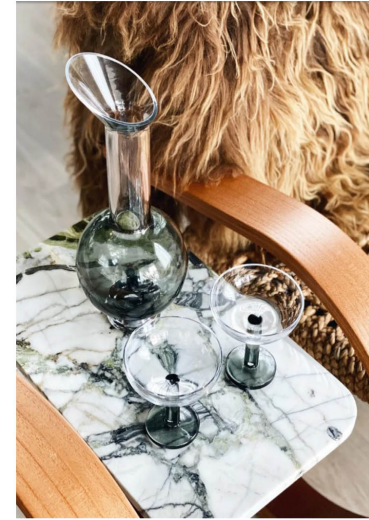

Wide selection, exclusive
and modern design
of innovative technologies.

A decorative wall gallery featuring various framed and unframed pieces. The central focus is a large square artwork with a circular mandala design. Surrounding it are several smaller framed pieces with geometric and floral patterns. To the left, a wireframe pendant lamp hangs. Below the wall art, a wooden bench with a striped blanket is visible. To the right, a potted plant sits on a small stand next to a stack of books.

DECORATIVE MATERIALS

Decor is an art, it is functionality, that is associated with modernity!

FIREPLACES

Built-in bio fireplaces and electric fireplaces with warmth and comfort!

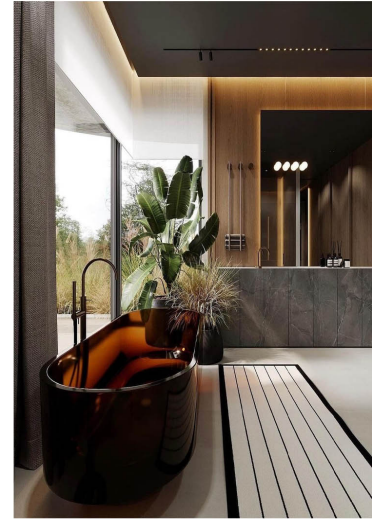

FLOOR COVERINGS

Quality wood flooring reveals the character of natural wood in all its diversity.

A high-speed photograph of a water droplet falling into a pool of water, creating concentric ripples. The background is a soft, out-of-focus light gray. The text "SANITARY WARE" is centered in the middle of the image.

SANITARY WARE

The bathroom – is where your day begins and ends.

The background of the image is a light-colored, marbled pattern with soft, organic shapes in shades of white, light grey, and pale blue, resembling natural stone or marble. The pattern is dense and covers the entire frame.

TILES AND DECORATIVE STONES

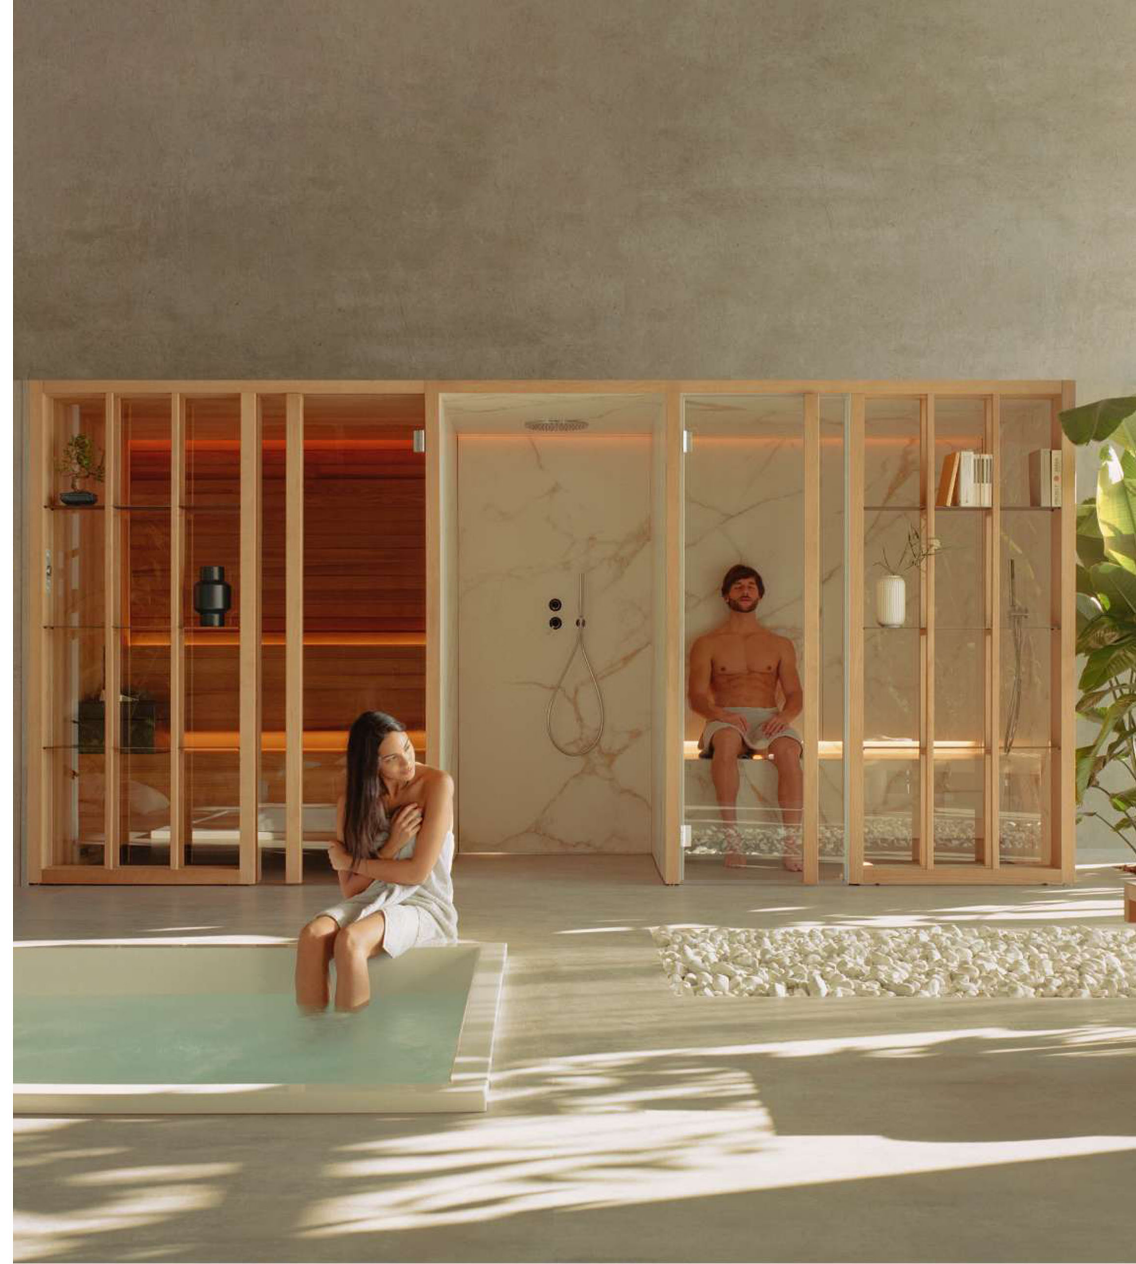

Unique color harmony,
natural materials
are always close to nature.

SPA & WELLNESS

A revolutionary offer for spa treatment and complete relaxation.

The background features a series of concentric circles that create a tunnel-like perspective. Each circle is filled with a fine, light-colored grid pattern. The circles are centered and expand outwards from the top center of the frame, creating a sense of depth and movement.

HEATING, VENTILATION, AND AIR CONDITIONING

The most innovative heating, ventilation, and air conditioning for your healthy climate.

A blurred background image showing a door handle on the left and a window with blinds on the right. The text "WINDOWS AND DOORS" is centered in the middle of the image.

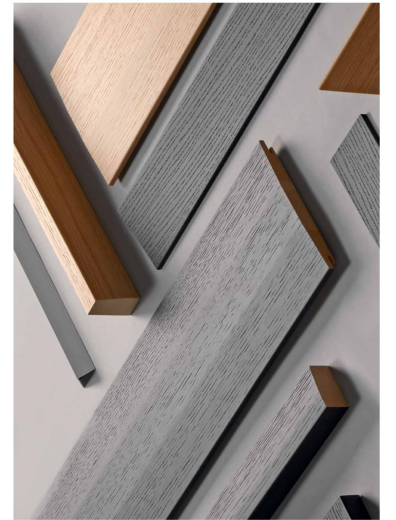

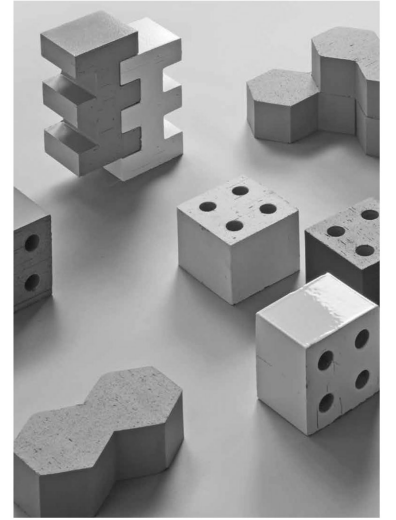

WINDOWS AND DOORS

It is a masterful play of shapes and materials that merge together and open the curtain of the future world of doors and windows.

CONSTRUCTION MATERIALS

Solutions that meet individual project requirements and can be applied to various types of facilities.
